Saver 330
Sport

A close-up photograph of a white boat's nameplate. The nameplate is an oval-shaped metal plate mounted on the white hull of the boat. It features the text 'Saver 330' in a bold, sans-serif font, with 'Sport' written below it in a cursive script. The nameplate is flanked by two curved, metallic decorative elements. Below the nameplate, a horizontal stainless steel rail is visible, secured with several screws. The background shows a clear blue sky and a portion of the boat's cabin structure.
